PLANIMETRIA STATO DI FATTO 1:200

This figure is a detailed planimetric map of a river section in Stresa, Italy. The river is depicted as a thick black line winding through the landscape. The map is divided into numerous land parcels, each identified by a unique number (e.g., 140, 142, 143, 144, 146, 147, 148, 150, 151, 152, 153, 154, 155, 162, 163, 169, 282, 340, 401, 410, 411, 427, 428, 430, 462, 464, 104, 105, 106, 107, 108, 111, 112, 137, 138, 370, 401). Several buildings are shown as simple black outlines. Three specific areas are highlighted with red rectangular boxes and labeled in red: 'TRATTO1' at the top right, 'TRATTO2' in the center right, and 'TRATTO3' at the bottom left. These highlighted areas contain more detailed technical drawings, including cross-sections of the riverbed and bank profiles, indicated by numbers 1 through 25. The map also shows various roads and paths, such as 'VIA RONCHETTO' and 'VIA PER ROSSO'. The overall layout shows the river's path through a residential and agricultural area.
