AREA PARCHEGGI 1567,14,00 MQ

$$\geq 15.031,00 \text{ mc} / 10 = 1.503,10 \text{ mq}$$

This architectural site plan illustrates a residential development. The main building complex is shown with various roof types, including flat and pitched sections. A large, irregularly shaped swimming pool is located in the lower right quadrant. To the left of the pool is a rectangular area labeled 'PISCINA'. The plan includes numerous elevation markers (e.g., +4.50, +5.00, +7.70, +8.70) indicating different levels throughout the site. A road, 'STRADA COMUNALE - VIA FRATELLI OMARINI', runs horizontally across the middle. To the right, 'VIA MONTE GRAPPA' is shown. A large rectangular area at the top right is labeled '5325' and '2943', possibly indicating dimensions or a specific plot area. The plan also shows a 'COBERTURA TETTO GIARDINO' (garden roof) and a 'MARCIAPIEDE' (sidewalk) at the bottom. The entire site is enclosed by a red boundary line, with 'ALTRA PROPRIETA'' (other property) indicated to the left.
